Date: 2nd November 2018

Dear Parents,

With the successful launch of Mypedia Home App which enables learning after school hours for your ward, we are now pleased to launch the "SCHOOL PARENT APP". We request you to download the App today through your registered mobile number from Play store: https://goo.gl/LZS7mA or Apple store: https://goo.gl/bznjt9 to get regular updates on the information on Academics, Activities, Fee Details, Circulars, School Connect and Attendance in one touch.

In order to improve the functionality of this app, we need to update Student and Parent photographs. You are required to submit the appended form duly filled to the school office from 12th November to 19th November 2018 (during school visiting hours) or email it to us at info@amanoraschool.edu.in . We look forward to your support and cooperation in serving you better and making a good experience for parents using Mobile App.

Best regards,

For Amanora School
