Dear Parent,

We all are aware that students spend a considerable amount of time travelling to and fro to school and their safety during this time is of paramount importance. In the interest of the children and in keeping with the CBSE advisory, we urge upon parents to make use of the school transport as far as possible. Let us appraise you that all the school buses have a dedicated lady attendant and are equipped with safety measures like CCTV cameras, GPS, speed governors, first aid box and fire extinguisher etc.

A **Transport Request Form**- Google link, for availing transport facility for the Academic Year 2023-24 is appended below. Parents are requested to duly fill out the same on or before **Saturday, 25th March, 2023** to facilitate the process of route mapping and transport allocation well ahead of the new academic session. If you have any query regarding transport, kindly raise it with Transport Manager Mr. Kishore on transport@amanoraschool.edu.in
