

Cir/56/2022-23

Date: 16<sup>th</sup> February, 2023

Dear Parents,

Greetings from Amanora School!

With the academic year coming to an end, we are gearing up to prepare our students to face the Annual Exams. Board Examinations for Grade X and XII have already commenced. Students are also planning, preparing and participating in Culminations of various scholastic and co scholastic programs.

The preparations for the upcoming Academic year 2023-24 which starts from 1<sup>st</sup> March for grades X and XII and 1<sup>st</sup> April for rest of the school are underway.

As per the **circular number 45 -dated 13<sup>th</sup> January, 2023** we had requested parents who are desirous of relocating or discontinuing their journey of learning with Amanora School for any other reason to initiate the process of issuing the TC to the student by filling in the discontinuation form. This form will also help us gauge probable vacant seats per grade/section for the Academic Year 2023-24 and help us plan Section Bifurcation and other logistics. The last date for filling this date was 31<sup>st</sup> January. Hence if we have not received any request from you for TC we presume you are keen on continuing the association with Amanora School for AY 2023- 24.

The Fee Structure for the Academic Session 2023- 2024 has already been shared with you via Circular number 45, with the intimation about the School Management's decision to offer only two modes of payment for the Academic Year 2023-2024 namely:

Mode 1: - Lump sum Payment of Annual Tuition Fee (with a discount of 5%) This mode is valid till 30th April 2023

Mode 2: - Monthly Payment option through Gray Quest.

As we retain the seat for your ward considering your consent to continue with us, we look forward to your support and cooperation in the timely payment of the fees.

Best regards

For **Amanora School**
