

CIR/65/2019-20

5th March, 2020

Dear Parents,

A culminating activity is a summary of all Scholastic and Co-scholastic experience that a student has throughout the academic session. It is integrative in nature and is based on accumulated learnings. This is the time when everyone is motivated and is on task with a lot of preparation for different activities. As the academic session 2019-20 is coming to an end, the students of Preprimary are eager to showcase their talent and skills which they have developed throughout the year. Please find detailed below the "Culmination Day" schedule for Pre-primary grades.
