Date: 25th November 2019

Dear Parent

Greetings from Amanora School, Pune,

We trust that you are doing well and enjoying your child's growth with us, just as we are.

As a school we have always thrived to craft an environment where students learn and acquire skills that help them succeed in life. Our programmes are structured around the framework: Core , Supplementary , Value Add and 21st Century Skills.

- **Core Curriculum:** Provides students the knowledge required by the board/council by incorporating innovative pedagogical practices, activities, worksheets, regular assessments and finally formal assessments
- **Supplementary:** Complementing the core, we offer a plethora of scholastic and co-scholastic programmes like Science Experimentation & Application, Middle School Math, Structured Sports curriculum etc to name a few
- **Value-Add:** It comprises of a set of innovative initiatives for academic, cultural and co-scholastic programmes like Board Preparation (Grade 10), Learning Improvement Programme, Clubs such as Revival of Lost Art, Performing Arts, Community Service, Eco-club to name a few
- **21st Century Skills:** It emphasizes on the goal of acquiring the skills necessary to help students succeed in their future like Innovation Lab, English Language Enrichment Programme and Career Awareness modules.

Our integrated learning curriculum content delivered through Pearson MyPedia continues to engage learners with measurable improvement in their thinking skills.

Our focus on Health Safety and Child protection through our policies and practices with an unflinching commitment to "Child's Safety" continue to provide a safe and enabling environment to our children.

Taking a step further towards making quality education accessible to our students, we are now proud to announce our association with India's leading chain of schools – Ryan Group and we will operate under the brand **Ryan Education**.

The Ryan Group Strength

140+
Schools

2.7
Lakh Students

16000+
Educators

18
States

40
Cities

1000+
Global Awards

Our Vision is "to nurture *future-ready global citizens* who *positively and responsibly impact the world*"

Our Mission is to be *the leading K12 institution*

WHICH

- encourages learners to realise their *true potential* to become *critical thinkers* and *compassionate leaders*

THROUGH

- *inspiring educators*
- *a safe and enabling environment*
- *an innovative learner-centred pedagogy*

THE RYAN ADVANTAGES:

- **Academics as the Bedrock of a Holistic Education:** Academics is the foundation of a multi-faceted education. Our alumni go on to study at several top Global Universities like Harvard, LSE, IITs etc
- **Grooming Champions:** Students are coached by the professional sport coaches from international clubs like Laliga Football Club, Mahesh Bhupati Tennis Academy, Vishwanathan Anand's Mind Champion's Academy to name a few
- **Classrooms Beyond Walls:** Learning happens everywhere and with hands-on experience of the concepts taught in class like the Ryan's Indian Model United Nations which has over 2000+ participants from 90 Schools and over 40 Countries, their Young Journos Program - RYAN TV, the Group's Media House, pioneered Education Through Lens to build speaking and leadership qualities. International Children's Festival of Performing Arts, is a great platform to bring together different countries and cultures which teach children the values of harmony, tolerance and peace with over 25,000 plus participants from 25+ countries
- **Nurturing Changemakers:** Students understand, empathise with social issues and undertake remarkable initiatives to address them like - Ryan Food Bucket Challenge with contributions from over 3 Lakh students and parents distributing 7.5 Lakh Kg of staples through over 200 NGOs. Our World's largest charity donation with over 2 Lakh items put Ryan into the Guinness Book of Records.
- **Schools Without Borders:** Ryan's international affiliations builds students global ideologies and academic culture, through activities such as Astronaut training program at NASA, PennHub exclusive partnership with US state of Pennsylvania, Thames Valley Summer School Program at London, UK, Global Young Leader Conference at New York, USA and World Children's Festival at Lingen, Germany.
- **Learning Primed by Technology:** Embedding technology into learning is second nature and the Ryan Schools incorporate Innovation labs through Atal Tinkering labs and learning by associating with Google and Microsoft.
- **Recognition from All Over the World** (over 1000 awards received): Ryan Group has won multiple awards for contribution to education and social service, including Asia's Best K-12 Education Institute and Best Education Brand of 2018 by Economic Times.

These are just a few out of the plethora of innovative and cutting edge learning solutions that Ryan Education will bring to our school, all of which are aimed at providing our students complete holistic development. We solicit your support in the implementation of the same as it will be done in a calibrated and phased process.

Equipped with the resources from India's leading institutions, we are now well placed to provide our students the confidence and skill to excel in this competitive and multi faceted world. We would like to thank you for having placed your confidence with us and for deeming Amanora School as the right choice of school for your ward.

We invite you this time to explore our whole new range of innovative, international offerings and provide us yet another opportunity to transform your child's learning experience. We hope with our enhanced offerings we can serve you better.

We look forward to your continued association with us.

Principal, Amanora School
