***The growth and development of people is the highest calling of Leadership.***

Dear Parents

Greetings from Amanora School!

It is a known fact that Education forms the foundation of any society. It is responsible for the economic, social, and political growth and development of society in general. The thread of this growth depends upon the quality of education that is being imparted. Thus, schools like ours, play an important role in moulding a nation's future by facilitating all round development of its future citizens.

Amanora School has traversed a long way from its inception way back in June 2010. The growth of our school has made it imperative for us to correspondingly balance our team structure and define clear responsibilities that will help foster the school scale to newer heights.

To cater to the vast and dynamic needs of Amanora School, the enhancement of my role from Principal to that of a **Director** was initiated in October 2020. I am grateful to our Trustees and School Management for their trust and unwavering faith in my leadership skills. Given the escalation of my role, the need to find and prepare someone to shoulder the roles of a Principal was undertaken.

With immense pride and pleasure I take this opportunity to introduce you to the new Principal of Amanora School, our very own Ms. Madulikka Sharma. Ms. Sharma has been a part of the Amanora family for almost five years and has been a key contributor in building a rich legacy of success across all dimensions of education. With over twenty-five years of experience in the education field, Ms. Sharma has conducted and designed several programs for academic and co-curricular diversification of education. Few of her previous association include schools of great repute like St Andrews in Agra, APS in Assam, Nath Valley and Woodridge High in Aurangabad.

I look forward to Ms. Sharma succeeding me as the Principal of Amanora School and steering it to greater heights and continuing its ever growing tradition and heritage of academic, co-curricular and extracurricular excellence.

To assist in the smooth and seamless school functioning Mrs Sharma will be ably supported and assisted by our Head Mistress Ms Sujata Rathaur. Ms Rathaur has been an integral part of Amanora School and is associated with the team for over 9 years. Her strengths include good interpersonal skills and excellent Parent connect. She is a key player in the robust recruitment and hiring process of our school.

Please join me in congratulating and wishing Ms Sharma and Ms Rathaur continued success at Amanora School.

Kindly note that your support and feedback are extremely valuable and important for our progress and accomplishments. So do keep writing to us at –

Name	Designation	Email ID
