

CIR/01/2021-2022

Date: 12th April, 2021

Dear Parents

Greetings from Amanora School!

We welcome you to the Academic Year 2021-2022.

We hope you all are safe at home. We urge you to adhere to the measures suggested by the government, and take good care of yourselves. Together, let us fight out the situation by taking care of our family members and ourselves.

Our Vision is ...

“To nurture future-ready global citizens who positively and responsibly impact the world”

Our Mission is ...

To be the leading K12 institution

WHICH

encourages learners to realize their **true potential** to become **critical thinkers** and **compassionate leaders**

THROUGH

- **inspiring educators**
- **a safe and enabling environment**
- **an innovative learner-centered pedagogy**

We wish to make the academic year interesting and a fulfilling one for our learners and parents. The school aims to produce global citizens by providing exposure to global standards of learning besides maintaining the local essence so that all stakeholders are aligned to the same goals and standards set by the school and by living up to them consciously. The school provides a holistic learning experience to the students by engaging them in **core academics**, various **supplementary programmes** to provide focused learning experience, **value add programmes** to elevate in school learning to higher levels and **21st century skills** to prepare them to face the challenges and rise up to suit the global standards.

All this and more is delivered through our safe and secure School OS platform. The online classes are engaging and interactive which help the learners lead their learning. Please support your ward in attending classes every day, revising the learnt content and completing the tasks assigned by the teachers.

We will continue to use the Parent App and the WhatsApp Group to communicate with you and share information and updates. The detailed time table has already been shared with you.

We believe in inculcating human values such as, kindness, empathy, tolerance, accommodation, patience, perseverance and hard work in our learners. All the important stakeholders in school model this. While the most critical skills, co-operation, collaboration, communication and critical thinking; the teaching-learning process effortlessly caters to all of these. **Health, Safety and Child Protection** is an integral part of the school system.

The school is also equipped to overcome challenges that come our way. A dedicated team of academic staff and support staff are trained every year and the team works tirelessly to ensure effective implementation of all programmes every academic year. I sincerely acknowledge and appreciate the untiring efforts of the team.

The Management and Staff wholeheartedly appreciate the support extended by the parent fraternity in all our endeavours. We have managed to establish and maintain a strong parent-school connect by sharing information through circulars, newsletters, Parent App, mails, calls and diary notes. We will keep this connect strong by sharing all the proceedings at school.

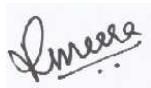

Assessments are an integral part of every teaching- learning process. So, please prepare your wards for tests and exams conducted periodically and track his/ her performance. For monitoring the same, we would urge you to attend parent-teacher meetings and support us by considering the feedback seriously and working on it. Collectively, we can contribute and influence the development of the child at school.

While wishing the children all the best for the year ahead, I welcome you to Amanora School family and look forward to working with each one of you! Let us work together to make the best things happen to our children!

I sincerely wish that the time spent in school will be a positive experience for your children which prepares them to face the challenges they encounter in the course of their lives and handle them well

Thank you!!

Best regards
For **Amanora School**
