Dear Parents,

Greetings from Amanora School!

In keeping with our efforts to tap the hidden talents of children; we host an Annual Event titled TIRANGAA-an inter school event. "Tirangaa " –An Annual Interschool Cultural Fest is a platform for children to exhibit the best of talent and skills that can go unnoticed otherwise in the rush of academics and book study. This competition we strongly believe will build on creative thinking which goes hand in hand with enhancement of other 21<sup>st</sup> century skills.

As we observe the 75 glorious years of independence of our country let us take a moment to commemorate our diversity, solidarity and persistence towards achieving a sustainable India. Our theme this year celebrates the need for a sustainable India and alerts the Nation's youth and encourages them to consistently work towards achieving and maintaining sustainability.

This edition of Tirangaa provides a platform to the students from across the schools to not only showcase their talent but also responsibility and exemplify the skills to solve global and local problems encountered on a route towards achieving sustainability India's growth in this journey. Amanora School will be proudly hosting this patriotic spectacular Tirangaa –"India towards achieving sustainability" on **Saturday, 27<sup>th</sup> August 2022**.

A contingent of 200 plus students who have been selected judiciously on the basis of their skills showcased during various co-curricular and extra-curricular activities will be representing Amanora School in various events.
