Date: 20th July 2022

Dear Parents,

Greetings!

At, Amanora School we strongly believe that parent-school collaboration is essential for the growth and advancement of our students and the school. We are grateful for the parents who took time out to answer the **anonymous survey** launched on 1st July 2022.

It gives me immense pleasure to share with you the outcomes of the survey which are very reassuring and strengthens our belief that our endeavours are directed towards the potential growth of our learners.

Of the respondents 97% parents have said that their wards are happy to come to school. 89% parents are satisfied with HSCP measures and 86% parents are satisfied with academics in school.

Nevertheless based on the class wise feedback that we received we would like to address certain specific issues.

I would like to convey to our parents that monthly planners for all the grades are being uploaded on Never skip regularly. Classroom teaching is done based on these plans. However due to some unforeseen circumstances if the plan is not completed it will be carried forward to the subsequent month.

Pandemic has impacted negatively on the ability of students' written work both in terms of speed and quality. This is evident in the notebook work of the students hence creating a gap in regularity of corrections. We seek the parental support to motivate and guide their wards for timely submissions. While the teachers will also ensure that work is completed and checked.

Children learn best when the significant adults in their lives – parents and teachers, work together to encourage them.

We look forward to your support to ensure that Amanora School continues to provide academic excellence and a superior learning experience to our students. We shall be releasing an anonymous survey for parents to share the feedback from time to time. We seek parents to kindly respond to the survey in large numbers.

Looking forward to your kind cooperation and support.

Best regards

For **Amanora School**
