

CIR/84/17-18

Date: 17th November 2017

Dear Parents

This is further to our Open House **Circular No 76** dated 13th November 2017 and subsequent **SMS** regarding clearing of outstanding payments prior to Open House scheduled for Saturday, 18th November 2017. Let us once again place on records that Amanora School is a permanently unaided school affiliated to the Central Board of Secondary Education (CBSE) wherein your ward enjoys the learning experience in a multi- storeyed state of the art structure that has an array of facilities like digital class rooms, 4 fully equipped laboratories, special Dance, Music, Art, Library and Yoga rooms, 2 Computer labs and a well-equipped Innovations lab. In addition to the above for various Sports activities we have a FIFA certified Astro turf, a basket-ball court, indoor table tennis court and much more. All these facilities are provided to your ward in our school.

You will appreciate that despite the fee of your ward being outstanding for the current academic year 2017-18, the school has always encouraged active participation of your ward in all inter-school and intra-school activities, Clubs, Class Assembly etc. The teaching-learning process of your ward has been happening undeterred. He/she has attended all class tests and assessments (both internal and external) and has been graded for the same based on their performance.

During the Open House you are free to visit your ward's class and check out their Student Portfolio which has the Term-I Answer Sheets which has the **Grades and Marks Obtained** clearly mentioned on them along with all other worksheets and activity sheets. You could interact with the teachers to understand the progress of your ward. The **Assessment Report** is a comprehensive report that covers a variety of parameter and hence comes with a cost. This report will generated once the outstanding dues are cleared. We would like to reiterate the fact that ours is a permanently unaided school which functions purely on the funds collected by means of **school fee**.

We request you to maintain the decorum of the school during the Open House. We have already informed you several times that the fee for your ward is pending and that the same needs to be cleared. For any other concern, you are free to seek an appointment on another day via diary note or email. Looking forward to serving you at all times.

Best regards,
For Amanora School
