Dear Parents

Greetings from Amanora School!

As we are slowly inching towards wrapping up another eventful Academic session we realize in retrospect that Years 2020 and 2021 will be remembered for the havoc they played due to pandemic on the lives of inhabitants of this earth. But as they say every cloud has a silver lining this one too had its brighter side. One of them certainly being making us realize how resilient and adaptable we are in general and in specific with respect to the field of education.

Completely toppled off educational transaction at Amanora by the vagaries of Covid 19 regained its composure within days. Now when we look back there is a huge sense of achievement. We switched to online teaching within days of the lockdown and soon enough we were able to offer the complete Virtual Schooling Experience to our learners. Majority of our teachers who were novices back then are now dabbling in technology like professionals and our students adapted to the changed scenario effortlessly. Along with teaching learning process ably supported by variety of latest Ed- tech tools and pedagogies, assortment of extracurricular activities also did not take back seat despite virtual barriers Amanora School un-dauntingly ensured the seamless conduct of all calendarised events online.

Final exams for grade IX and XI and Pre boards for grade X are being conducted on campus. Exams for Grades I to VIII shall culminate on 16<sup>th</sup> March 2022

Light can be now seen towards the end of the tunnel. With Covid numbers dipping we are more than hopeful that school premises will once again reverberate with the enthusiastic and cheerful presence of our students.

We are gearing up to conduct full-fledged school for all our students in the upcoming session. We are in the process to start the Transport facility with the advent of new session.

While we do so we earnestly implore the parents to ensure that their wards come out of their shells and attend the physical school as these two years have had a negative impact on the social skills of the children which have weakened their associated attributes like communication, confidence etc.

Kindly note the timelines for the PTMs, session breaks and school reopening.
