Dear Students,

Hope you all are at home and safe!

Do you enjoy Math Games and Puzzles? Do you want to learn a few tricks of Vedic Math? Do you want to explore a Math Lab, play with Rubik cubes and Tangrams? Is getting a centum in Math is what you aspire for? Do you want to collaborate with your friends and work on Math problems?

MATH CENTRE OF EXCELLENCE has all this and more for you. As we set up the CENTRE, we want grades VI to X students to don their creative caps and create a LOGO. Capture the essence of Math Centre of Excellence in the LOGO you create.
